Loyalty Program

Introduction

These Loyalty Program Terms ("the Terms") are provided to you (the "Client" or "prospective Client") in accordance with the laws of the Republic of Saint Vincent and the Grenadines and the Agreement between you and Company mentioned below.

The Loyalty Program is offered by **Strifor SVG LLC**, a company incorporated under the laws of Saint Vincent and the Grenadines, with registration number **3668 LLC 2024**, having its registered address at:
Suite 305, Griffith Corporate Centre, Beachmont, Kingstown, Saint Vincent and the Grenadines
(hereinafter referred to as the "Company").

These Terms govern the conditions of participation in the Loyalty Program, including eligibility criteria, connection procedure, bonuses receivable under the participation in the Loyalty Program, conversion of bonuses received into withdrawable funds, withdrawal conditions, and termination of participation in the Loyalty Program.

By submitting a request to participate in the Loyalty Program and accepting these Terms, the Client confirms that they have read, understood, and agreed to be bound by the provisions set forth herein.

---

1. Description of the Loyalty Program

The Loyalty Program is a reward program designed to encourage consistent and conscious trading activity.

Within the framework of the Loyalty Program, eligible Clients may receive bonuses on their trading account balance under the conditions defined in these Terms. The program is intended to support long-term engagement and disciplined trading practices rather than short-term or irregular activity.

Under the Loyalty Program, the Company provides bonuses equal to the amount of an **annual interest rate of 18%**, accrued at a rate of **1.5% per month** (for corresponding funds type) for (subject to) participation and fulfillment all the conditions of the Loyalty Program outlined herein.

---

2. Eligibility and Participation conditions of the Loyalty Program

Participation in the Loyalty Program is **not automatic** and is activated **only upon the Client's request**.

Prior to joining the Loyalty Program, the Client must:

- review these Terms in full;
- requires submitting a request via one of the following channels:
  - by email to **help@strifor.ltd**; or
  - by submitting a **support ticket in the Client's Personal Account**, in the **Help Desk** section.

The Company reviews each request individually and reserves the right to approve or decline participation (without reason) of a particular Client at its sole discretion.

The Loyalty Program is available **exclusively to Clients holding Advanced or Professional account types**.

Accounts of the following types are not eligible for participation in the loyalty Program:

- Basic accounts;
- Swap Free accounts.

---

3. Bonus Accrual Procedure

Bonus (as defined in Section 1 of this Terms) is calculated by the Company **daily** based on the Client's **free margin**, excluding any credit funds.

The accrued bonus :

- accumulates throughout the calendar month;
- is credited to the trading account on the **last day of the month** as a separate transaction labeled "**INTEREST RATE"**.

For the purpose of bonus calculation:

- non-trading bonuses (displayed in the "credit" column in MetaTrader 5 Platform) are excluded;
- accounts with a zero or negative balance do not accrue bonus.

All accrued bonus is initially credited with **bonus status** and remains non-withdrawable until the conditions specified in Section 4 of this Terms are fulfilled.

---

4. Conditions for Converting Accrued bonus into Withdrawable Funds

To convert accrued bonus into withdrawable funds (Client's own funds), the Client must complete a **minimum trading volume of 2,000,000 USD**.

Trading volume is calculated according to the following formula:

Lot size × contract size of the instrument × contract price

Trading volume is counted on:

- opening of a position (**In**);
- closing of a position (**Out**).

Example of trading volume calculation

Instrument: XAUUSD
1 lot = 100 troy ounces

100 × 1 × 5088.32 × 2 (entry and exit)

---

5. Withdrawal Conditions

Accrued bonus may be withdrawn only after the Client has fully met the trading volume requirement specified in Section 4 of this Terms.

If the required trading volume is **not completed**, the accrued bonus:

- retains its bonus (non-withdrawable) status;

- cannot be withdrawn from the Platform (including in Personal Area);
- may be canceled in accordance with these Terms.

If the Client initiates a withdrawal before fulfilling the trading volume requirement, the accrued bonus remains non-withdrawable and does not convert into the Client’s own funds. If the Client initiates a withdrawal during a calendar month, the Interest Rate (IR) accrued for that calendar month will be canceled upon the Client’s next withdrawal.

---

6. Account Activity and Termination of Participation in the Program

If there is no trading activity on the Client’s account for a period of two (2) consecutive months (60 calendar days), the account is automatically excluded from the Loyalty Program.

For the purposes of these Terms, absence of trading activity means that during the specified period the Client has not opened, closed, or maintained any active orders on any instrument, with any lot size.

The above means that the Client has not fulfilled the requirements of these Terms and his participation in the program has been forcibly terminated by the Company unilaterally.

Any accrued but unconverted bonus is canceled upon exclusion from the program.

The Client may voluntarily opt out of the Loyalty Program at any time if participation conflicts with their personal, religious, or trading principles.

---

7. Final Provisions

The Company reserves the right to amend, suspend, or terminate the Loyalty Program:

- if the Client violates the Terms and Conditions of Services, other documents which form the Agreement between Client and the Company;
- unitarily (at its sole discretion), without prior notice of the Client.

Any amendments to these Terms shall become effective upon publication.

For further information regarding the Loyalty Program, Clients may contact the Company at **help@strifor.ltd**
