Strifor VIP Program

Updated: *February, 01, 2026*

Introduction

These Strifor VIP Program Terms (“the Terms”) are provided to you (the “Client” or “prospective Client”) in accordance with the laws of the Republic of Saint Vincent and the Grenadines and the Agreement between you and Company mentioned below.

The VIP Program is offered by **Strifor SVG LLC**, a company incorporated under the laws of Saint Vincent and the Grenadines, with registration number **3668 LLC 2024**, having its registered address at:

Suite 305, Griffith Corporate Centre, Beachmont, Kingstown, Saint Vincent and the Grenadines

(hereinafter referred to as the “Company”).

These Terms define eligibility criteria, application procedure, benefits (bonuses), limitations, and conditions for participation in and termination of the Strifor VIP Program.

By submitting a request to join the VIP Program, the Client confirms that they have read, understood, and accepted these Terms.

1. Eligibility and Application Procedure

Clients with equity of **USD 50,000 or EUR 50,000 or more** are eligible to apply for participation in the Strifor VIP Program.

Participation in the VIP Program is not automatic and requires submitting a request via one of the following channels:

- by email to **help@strifor.ltd**; or

- by submitting a support ticket in the Client's Personal Account, in the Help Desk section.

The Company reviews each request individually and reserves the right to approve or decline the participation of a particular Client in the Strifor VIP Program at its sole discretion.

2. Benefits for VIP Program Members

2.1 Bonus Conditions

VIP Program members may receive a **100% bonus on new deposits made during or after joining the Strifor VIP Program**, excluding funds already held on the trading account prior to joining the Program, and subject to these Terms.

Terms of Use

1. The Client may use the funds received as a bonus as collateral when opening trading positions.
2. A negative value of the bonus amount is not allowed. In the event of a decrease in the Client's account balance as a result of trading operations, the Client's own funds, if any, are debited first. In the absence of sufficient own funds on the Client's account, bonus funds are debited automatically.

If the amount of the Client's bonus funds becomes negative as a result of trading operations, the Company assumes the risk associated with the loss of the bonus funds received. The Client is not required to compensate the Company for the amount of lost bonus funds.

3. The Client may convert the bonus funds received into the Client's own funds by completing the required trading volume of **1 lot for every 3 USDt of bonus funds**.

Transactions closed within one (1) minute after opening are not taken into account for bonus conversion purposes.

Only orders opened for **Forex and Metals** instruments are taken into account for bonus conversion.

4. The Client may withdraw or transfer funds from the trading account up to an amount equivalent to 20% of the bonus amount received without cancellation of the bonus.

5. If the Client withdraws or transfers an amount exceeding 20% of the bonus amount received from the trading account to which the bonus was credited, the Company reserves the right to debit the bonus funds from the Client's trading account.

6. The Client's profit received from trading operations using the bonus may be debited in whole or in part upon withdrawal of funds, in a ratio equal to the Client's own funds and the bonus, or in another ratio determined by the Company.

7. The Company reserves the right to change the conditions applicable to the bonus. The bonus is intended to increase the funds available for trading.

In order to prevent abuse, the Company reserves the right, at its sole discretion and without prior notice, to refuse to credit a bonus or to debit bonus funds, as well as profits earned from trading operations using the bonus.

Such measures may be taken by the Company, including where there is a reasonable suspicion that bonuses have been obtained by the same person through several interdependent Personal Accounts, or in the event of a violation of the applicable trading agreement or the use of fraudulent trading schemes.

8. By participating in the VIP Program and receiving the bonus, the Client confirms that they have read, understood, and fully agreed to these bonus conditions.

2.2 Fee Refunds (Trading Commission Refund)

VIP Program members receive a **20% refund of trading commissions paid for opening orders.**

Conditions:

- refunds are calculated monthly;
- refunds are credited within the **first three (3) business days of the following month;**
- refunded amounts are fully available for trading and withdrawal.

In the event of detected abuse, the Company reserves the right to cancel accrued refunds.

2.3 Priority Withdrawals (SLA)

Withdrawal requests submitted by VIP Program members are processed in priority order.

From the Company's side, funds are sent within **one (1) hour during business hours.**

Further processing by payment providers is performed in accordance with the provider's own terms and conditions and is outside the Company's control.

2.4 Personal Manager

VIP Program members are provided access to a personal manager via **Telegram.**

The personal manager may assist with:

- bonus-related questions;
- documentation;
- financial operations;
- technical inquiries.

Availability:

- 09:00–19:00;
- GMT+2 during winter time;
- GMT+3 during summer time.

The personal manager does not provide trading advice or investment recommendations.

2.5 Fast Support Escalation

VIP Program members receive priority escalation of support requests, ensuring faster handling compared to standard support procedures.

2.6 Gold Level Affiliate Program

VIP Program members automatically receive **Gold Status** in the Affiliate Program.

Gold Status allows members to earn **up to 60% of the commission paid by clients within the VIP member's partner group**, in accordance with the Affiliate Program Terms.

3. Program Duration and Ongoing Eligibility

To maintain VIP Program status, the Client's equity must not remain below **USD 50,000 or EUR 50,000, depending on the currency of the Client's account**, for a continuous period of six (6) months.

If the Client's equity remains below the applicable threshold for six (6) consecutive months, the Client is excluded from the VIP Program.

4. Conditions for Exiting the Program

If the Client's equity decreases below the applicable threshold as a result of trading losses, participation in the VIP Program is not terminated immediately. The conditions specified in Section 3 of these Terms apply.

If, following a withdrawal, the Client's equity, excluding bonus funds, falls below **USD 50,000 or EUR 50,000, depending on the currency of the Client's account**, the Company reserves the right to switch the account to standard conditions.

In such cases:

- bonus-related benefits may no longer apply;
- priority withdrawal processing may no longer apply.

To rejoin the VIP Program, the Client must submit a new request once their equity again reaches or exceeds the applicable threshold of **USD 50,000 or EUR 50,000**.

5. Final Provisions

The Company reserves the right to amend, suspend, or terminate the Strifor VIP Program at its sole discretion and without prior notice.

Any amendments to these Terms become effective upon publication.
