3. Purposes for which we use personal data

The Company, as a data controller, may only use your personal data if there is a lawful basis for such use. The most common lawful bases used by the Company are:

- Consent: in some cases, we may process your personal data only if we obtain your prior consent;
- Performance of a contract: we will require your personal data to be able to offer you the Services in accordance with the contract terms between you and us;
- Compliance with a legal obligation: due to the nature of the Services we provide, the laws applicable to our activities require us to collect and store certain data about you; and
- Legitimate interests: sometimes we rely on our legitimate interests to process your data (e.g. to improve our Services) and we will do so except where such interests are overridden by your interests or fundamental rights and freedoms.

Below you will find a table describing how we may use your personal data and which legal bases are relied upon by Strifor SVG LLC to ensure lawful data processing.

If you fail or refuse to provide the personal data we need to deliver the Services to you and/or to meet our legal obligations (i.e. compliance with anti-money laundering rules and legislation); you will be unable to access the Services.

4. Sources of personal data

Most of the personal data we process about you is received directly from you. For example, when you register to use the Services or communicate with us, we may receive your identity and contact data from you.

In other cases, we may receive personal data about you from various third parties and publicly accessible sources, including but not limited to social media, search engines, company registers, banks, payment service providers, KYC service providers, advertising networks, analytics providers and screening data vendors.

When you use the Services we may also automatically collect technical data through the use of cookies and similar technologies.

5. Automated decision-making with respect to your personal data

To offer you the Services and comply with our obligations under applicable laws, we will make a decision about you based solely on automated processing. Such cases include:

1. When you submit your economic and appropriateness data in the relevant questionnaire (if applicable), our system will automatically make a decision whether you can be allowed to trade. We may deny your access to the Services due to lack of experience and/or knowledge.
2. Our anti-fraud systems may automatically detect patterns that may suggest fraudulent activities with respect to your account. We will warn you about such activities to prevent possible fraud.
3. Our systems automatically determine the client's risk profile based on a number of risk factors we consider in accordance with the laws and our internal procedures. The risk score allows Strifor SVG LLC to determine the appropriate customer due diligence procedures it must follow.

6. How do we protect your personal data?

We take all reasonable and appropriate technical and organisational measures to protect all personal data collected by us from loss, theft, misuse and unauthorised access, disclosure, alteration and destruction.

7. How long do we keep your personal data?

Generally, we will retain your personal data for as long as necessary to fulfil the specific purpose we collected it for, including the purpose of satisfying any legal, accounting, reporting requirements and our legitimate interests.

In certain cases the authorities may require us to store the personal data longer if they deem it necessary (e.g. in case of an ongoing investigation). If you have not been actively making use of our financial services for more than seven (7) years, we will remove any details that will identify you or we will securely destroy the records, unless we substantiate why we need the data for a longer period of time.

8. Your rights

With regards to our collection and processing of your personal data you have the right to (subject to applicable exceptions):

1. Obtain confirmation from us as to whether we process your personal data.
2. Access your personal data processed by Strifor.
3. Correct your personal data.
4. Withdraw consent and remove your personal data we collected on the basis of your consent.
5. Obtain restriction of processing, for instance, where you contest the accuracy of your personal data for a period enabling us to verify the accuracy of the personal data,
6. Have your personal data transmitted directly from one controller to another, where technically feasible and when doing so does not adversely affect the rights and freedoms of others.

7. Erasure of your personal data under certain circumstances (Subject to the Strifor's obligation to keep records of client's details and trades for a particular period under applicable laws and regulations.

If you wish to make use of any of the above rights please contact our compliance department stating your account number and question related to any of the above rights at: help@strifor.ltd.

Strifor will endeavour to provide you with information on the actions it has taken on your request related to your rights, specified above, within one (1) month of receipt of the request. That period may be extended by two (2) further months if the request is complex, or if Strifor is in the process of resolving a large number of requests. We will inform you if any such extension is required within one (1) month of receipt of the request, together with the reasons for the delay.

9. How do we share your personal data?

We do not share your personal information with third parties, except as described in this Privacy Policy.

The Company may share information with its subsidiaries and affiliated companies in the event such information is reasonably required by the subsidiary to provide the Services to you.
